Instruction Memorandum No. BC-99-018
Expires: 9/30/99

To: All Washington Office and Field Officials
From: Director, National Business Center
Subject: Department of the Interior 150th Anniversary Logo

The Department of the Interior celebrates its 150th Anniversary on March 3, 1999. To commemorate this occasion, the Secretary has issued a special anniversary logo designed for use on Departmental letterhead and publications. The special logo is intended for use through calendar year 1999.

In order to minimize waste, you are encouraged to use existing letterhead supplies first. When printing new letterhead, the special logo should be placed in the upper right-hand corner of the letterhead (see an attached sample for actual placement). This is in accordance with the provision of the BLM Publications Standards Handbook. The logo may be used on all publications and it may be printed in color or in black and white.

The Department has both color and black and white versions of the anniversary logo posted on its web page. However, the versions are not suited for use with electronic files or reproducible for camera copy. We have ordered both color and black and white camera copy for your use. The quality of these will also be sufficient enough to be scannable for use with electronic files. We are expecting a January delivery date and we will distribute to you as soon as they are received.

If you have any questions, please contact the Bureau's Printing Officer, Lee Campbell, via E-mail or telephone at 303-236-9422.
