Subject: Transfer of the Bureau Sign Program Responsibility

I am pleased to announce the transfer of the responsibility for the Bureau's Sign Program from the New Mexico State Office to the National Business Center (NBC). Lee Campbell, Bureau Printing Officer, will now assume the duties and responsibilities of the Bureau Sign Coordinator. This transfer will allow the Bureau to accomplish several objectives. One, it will free up resources in New Mexico to be applied to meeting field requirements in that state. Secondly, it will centralize the program management responsibility with the day-to-day operational requirements of the printing and warehousing responsibilities of the NBC. It will also allow closer coordination with the Rawlins Sign Shop and the Wyoming State Office program managers.

If you have any questions or suggestions concerning the Bureau Signs Program, please contact Lee Campbell at (303) 236-9422.
