Subject: Change in Mileage Rates for Privately Owned Vehicles

The purpose of this Information Bulletin is to alert Bureau of Land Management (BLM) travelers that the mileage allowance for a Privately Owned Vehicle (POV) for government travel has changed for all travel on or after January 21, 2002.

The General Services Administration (GSA) has announced the new mileage allowances for advantageous use of POV. They are as follows:

Privately owned airplane	97.5 cents per mile
Privately owned automobile	36.5 cents per mile
Privately owned motorcycle	28.0 cents per mile

In addition to the above allowances, GSA has determined that the mileage allowance for a POV when a Government Furnished Vehicle (GFV) is not available is still 28.5 cents per mile. When you are committed to using an available GFV, the POV allowance is 10.5 cents per mile.

If you have any questions, please contact Vickie Smith at the National Business Center on (303) 236-6276.
