Board of Survey Officers are appointed by the Accountable Officers to review reports of surveys that reflect lost, damaged, or stolen property or any other property irregularities as deemed necessary. These individuals will be trained on their specific roles and responsibilities and will convene as board members on a periodic basis.

If the principal representative is unable to attend a survey board meeting, arrangements must be made to ensure that the alternate will attend. Survey board meetings are held the first Wednesday of every month, unless board members are otherwise notified.
