Subject: Take Our Children to Work Program

DD: 4/21/98

Once again, we will be participating in the national initiative called "Take Our Children to Work." Parents are encouraged to bring their children, ages 8-15, to work with them **Thursday, April 23, 1998.**

The purpose of this event is to provide your children with an opportunity to explore occupations in our workplace. The hope is that their horizons will be expanded when it comes time to choosing a career. We encourage parents to discuss the purpose of this important event with their children.

A few of the program plans for this year will feature a hands-on Safety and Industrial Hygiene demonstration, a brief American Sign Language Class, BLM Fire Fighting demonstration, job shadowing opportunities at parent's work site for all participants, and more. The schedule of events for the program will be forthcoming, as plans are finalized.

Attached is a Registration Form. Please help your child fill out the form and return to Cheryl Hodges, HR-230 no later than Tuesday, April 21, 1998.
