EMS Transmission  
Information Bulletin No. HR-2002-081

To: All Field Officials  
From: Director, National Human Resources Management Center  
Subject: Accident and Injury Investigation and Reporting

Reference IB No. HR-2002-073, Subject as above, dated April 29, 2002

Due to the shutdown of the Department of the Interior computer system, the Safety Management Information System (SMIS) had been off-line and unavailable. However, the SMIS system was placed back on-line May 13, 2002. The Bureau of Land Management is again able and required to submit all accident reports electronically, via the SMIS system.

Please change all references to "Form DI 134" in the referenced IB to read "SMIS". Use of Form DI 134 is rescinded. All accidents and occupational injuries or illnesses must be reported via the SMIS system.

For further information, contact your State Safety Manager or the Bureau Safety Manager, Mr. Bruce Prater, (303) 236-2530 or [bruce\\_prater@blm.gov](mailto:bruce_prater@blm.gov).
