Subject: ESRI's 1998 User Conference, July 27-31, 1998

DD: 5/15/98

ESRI has scheduled the 1998 User Conference July 27-31, 1998, in San Diego, California. They have provided BLM with a limited number of complimentary registrations to this conference.

There is a wide range of sessions available to attend this year. Just to name a few are:

- Agriculture
- Application Development
- Cartography and Map Production
- Database Design and Automation
- GIS Management and Implementation
- System Implementation for GIS
- Telecommunications
- Plus Many More To Choose From!

ESRI specialists will be there to conduct presentations and demonstrations.

If you would like to send a staff member from your office, please provide me with a name by May 15, 1997. I will then send you a complimentary ticket for that employee.

If there are any questions, please feel free to call me at (303) 236-6965.
