**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day One 2:30-4:45 Breakout Group Discussion  
Worksheet B**

## **Streamlining Considerations**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day One 2:30-4:45 Breakout Group Discussion  
Worksheet B**

## **Communication**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day One 2:30-4:45 Breakout Group Discussion  
Worksheet B**

## **Efficiency and Process**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

## **Information and Data Needs**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

# **Adequacy of Information and Risk**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

## **Deferring and Staging Decisions**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

**Carrying Over Decisions from  
Existing Land Use Plans**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

## **Alternatives**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

**Planning Data and Planning  
Documents on the World Wide  
Web**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Two 3:00-4:30 Breakout Group Discussion  
Worksheet B**

**Budget**

**What were the concepts that will be helpful for time sensitive plans?**

**What could be improved or modified to be most helpful for time sensitive plans?**

**What might not work or would not be helpful for time sensitive plans?**

**What are some ideas that could be added to help time sensitive plans?**

**Are there any insights, experiences, suggestions that would be helpful for time sensitive plans?**

**Day Three 10:30-1:00 Breakout Group  
Worksheet B**

## **Consistent Approach**

- 1. What areas would it be appropriate to develop templates for consistency?**
- 2. What are the best ways to develop templates?**
- 3. How and with who would you coordinate that development of these templates?**
- 4. Can the development of a consistent approach be done in a timely manner for tier one plans and/or tier two plans?**
