Notice of Availability of Record of Decision for the [*insert name of planning area*] Resource Management Plan (RMP)/Environmental Impact Statement (EIS)

AGENCY: Bureau of Land Management

ACTION: Notice of Availability of Record of Decision (ROD)

SUMMARY: In accordance with the National Environmental Policy Act (NEPA), the Federal Land Policy and Management Act (FLPMA), and the Bureau of Land Management (BLM) management policies [*insert any other pertinent legislation*], the BLM announces the availability of the RMP/ROD for the [*insert name of planning area*] located in [*insert location of planning area*]. The [*insert name of state*] State Director will sign the RMP/ROD, which becomes effective immediately.

ADDRESSES: Copies of the [*insert name of planning area*] RMP/ROD are available upon request from the Field Manager, [*insert name of Field Office*] Field Office, Bureau of Land Management, [*insert street address*] or via the internet at [*insert web address*]. [*State any other means for the public to obtain copies of the RMP/ROD*]

FOR FURTHER INFORMATION CONTACT: [*insert name of contact, contact information, including address, telephone, and email address*]

SUPPLEMENTARY INFORMATION: The [*insert name of planning area*] RMP/ROD was developed with broad public participation through a [*insert number*] year collaborative planning

process. This RMP/ROD addresses management on approximately *[insert number]* acres of public land in the planning area. The *[insert name of area]* RMP/ROD is designed to achieve or maintain desired future conditions developed through the planning process. It includes a series of management actions to meet the desired resource conditions for upland and riparian vegetation, wildlife habitats, cultural and visual resources, livestock grazing and recreation *[insert any other pertinent issues]*.

The approved *[insert name of area]* RMP is essentially the same as Alternative *[insert number]* in the Proposed *[insert name]* RMP/Final Environmental Impact Statement (PRMP/FEIS), published in *[insert date]*. BLM received *[insert number]* protest(s) to the PRMP/FEIS. No inconsistencies with State or local plans, policies, or programs were identified during the Governor consistency review of the PRMP/FEIS. As a result, only minor editorial modifications were made in preparing the RMP/ROD. These modifications corrected errors that were noted during review of the PRMP/FEIS and provide further clarification for some of the decisions. An errata sheet is included with the RMP/ROD that identifies the location of the corrections in the PRMP/FEIS.
