Subject:ct: Fiscal Year (FY) 98 Cultural Resource Management Program Annual Report  
DD:11/2/98, 11/16/98

The Washington Office (WO) is again requesting the assistance of field offices in completing the Cultural Resource Management (CRM) Program Annual Report. The Bureau of Land Management (BLM) is required to compile this information to comply with the Archaeological Resources Protection Act of 1979 (P.L. 96-95; 93 Stat. 721; 16 U.S.C. 470aa *et seq.*) and the National Historic Preservation Act of 1966 (P.L. 89-665; 80 Stat. 915; 16 U.S.C. 470). The data is assembled and submitted to the National Park Service (NPS) to enable them to complete the "Secretary of the Interior's Report to Congress on Federal Archaeological Activities." The data is also used to complete the Public Land Statistics (PLS), the Chief Financial Officers and the Federal Land Policy and Management Act reports, "Public Rewards from Public Lands" report, as well as occasionally respond to Congressional inquiries.

Field Offices will notice changes in this year's report. To address concerns that the annual report had become too burdensome, the WO assembled a working group to streamline the questionnaire. The opportunity to streamline BLM's annual report coincided with a similar exercise carried out by the NPS to update the Secretary of the Interior's report. Most of the changes in the Secretary's report have been incorporated into the BLM's annual report. However, in a few instances other reporting requirements or budget considerations (e.g., workload measures) have dictated that specific questions be added (e.g., Native American Consultations).

The publication schedules for the FY 98 PLS and "Public Rewards from Public Lands" reports continue to be very tight. Following the convention that was established last year, the WO-240 is requesting that States submit PLS-related data on acres of BLM-administered surface inventoried, (Attachment 1, question I.D), properties recorded on BLM-administered surface (Attachment 1, question I.F), and cultural resource use permits in effect (Attachment 1, question

V.A) be submitted by November 2, 1998. This is the same information required for the "Public Rewards from Public Lands" report.

The remainder of the Annual Report, including narratives, is due on November 16, 1998. State Offices are asked to complete the attached questionnaire (Attachment 1), as well as provide information in narrative or tabular form, according to the following headings. PLEASE PROVIDE VERY SHORT, CONCISE BULLETS.

State Highlights. Summarize major annual accomplishments in the CRM program, including implementation of the National Programmatic Agreement, Native American coordination and consultation, collections management and NAGPRA inventories, major inventories and excavations, CRM publications and brochures, outreach efforts, etc.

Public Outreach. Discuss your State's efforts at promoting public education and awareness of the Bureau's cultural heritage.

Cooperative Management Agreements/Challenge Cost Share Projects. Provide a tabular summary of reporting year cooperative management agreements and challenge cost share projects. Calculate both the BLM and the cooperator input (e.g., money, staff time, volunteer time, materials, etc.) Briefly describe the work accomplished (e.g., inventory, excavation, analysis, outreach) and its location (e.g., name of site or locale where work took place). Colorado should describe the Anasazi Heritage Center's accomplishments in a separate attachment.

LOOT Forms. Complete the NPS Listing of Outlaw Treachery (LOOT) forms (Attachment 2) for any archaeological looting incident.

National Register of Historic Places. Please update your State's list of National Register properties (Attachment 3).

The reporting unit is each State Office. Please ensure internal consistency with data provided in previous fiscal years. Also, please coordinate with the Special-Agent-in-Charge in the completion of Section VI-Enforcement.

A copy of the consolidated CRM Report for FY 98 is being mailed under separate cover to the BLM's State cultural heritage program leads. Any questions on the report should be directed to Mr. Richard Brook at (202) 452-0326 or email rbrook@wo.blm.gov.
