Information Bulletin No. WY-99-006

To: Field Managers

From: Deputy State Director, Resources Policy and Management

Subject: Riparian-Wetland Functioning Condition Status DD 10/13/98

Our Washington Office has asked for the following information. The table should be submitted to Mark Gorges (WSO-930) by COB on October 13, 1998. The numbers should reflect the cumulative total of all the miles and acres that fall into each category.

*Riparian-Wetland Functioning Condition Status\**

Table 1

Field Office:

	PFC Condition Category						
Habitat Types	Proper Functioning Condition	Functional-At-Risk			Nonfunctional	Unknown	Total
		Trend Up	Trend Not Apparent	Trend Down			
Riparian (Flowing Water) (Miles)							
Wetland (Standing Water) (Acres)							

\* See TR 1737-9 and TR 1737-11 for definitions.

If you have any questions, please contact Mark at (307) 775-6100.
