CARPET INSTALLATION SLOWS BLM SERVICES TEMPORARILY

HINES, Oregon – The Bureau of Land Management (BLM) Burns District Office is planning for limited services beginning next week due to a minor building renovation. Beginning Monday, February 4, the entire facility – located at 28910 Highway 20 West – is getting new carpet. The project is expected to last through Friday, February 8. The office will remain open from 7:45 a.m. to 4:30 p.m. during the installation, however, visitors can expect little availability from staff specialists throughout the period. Some personnel will be on hand, but most will be working away from the desk and can be reached by phone by first calling the main office and having your call transferred.

The BLM regrets any inconvenience this may cause and expects to resume full services during the week of February 11.

For further information, please contact the BLM at (541) 573-4400.
