

Welcome to the website for the Baker Resource Management Plan Revision. We hope this website will help you stay up-to-date on the revision effort and provide information about how you can be involved in the process. We appreciate your participation, and look forward to continuing our work together.

Keeping you up-to-date and providing opportunities for you to be involved in the plan revision are my top priorities. Every effort will be made to keep this website current, and I hope you will visit periodically to see what is new.

As one way to stay informed, this web space will contain an ongoing list of recently posted documents. You will be able to read the documents using the links provided.
