Date	Total Number of		Amount per Client	Adjusted Charge per Client*	Total Trip Revenue
	Guides	Clients			
				Total Amount:	

*Deductions for Transportation and Lodging - are allowable only before customers arrive at the permittees headquarters or local community or at the end of the trip after they leave the headquarters or local community (example - If an outfitter was based in Boise, Idaho or using a commercial facility there as a base operation, he/she could deduct transportation and lodging charged to the passengers while en route to Boise.)
These deductions are not allowed for costs incurred between the permittee's headquarters or local community and the public lands, or for costs incurred during the permitted activity or trip regardless of public or private land status.
To arrive at the adjusted charge, deduct off-river transportation and/or lodging expenses (explain below):
