Subject: FY 2007 Service First Accomplishment Reporting

As part of the follow up to our interagency meeting held in December (12/12/07), we are asking for documentation of the accomplishments that you have made under Service First. Our goal in documenting your accomplishments is to share them with others who may be trying similar approaches or projects. The FY2007 Service First Worksheet is attached to help you think about your work in a way that we can share.

If you are on a unit that has changed coordinators, please send us new names to assure that you receive timely information. A list of coordinators is attached. Please send your commitments for FY 2008 to Tamara Yingling at (503) 808-6092, or email tamara_yingling@blm.gov. Our offer continues to stand on visiting units to discuss FY 2008 Service First actions and associated progress, so please contact Tamara to accomplish this.
