Subject: List of Local Training, Conferences and Workshops

Thank you for your prompt response to our solicitation of information in IB-OR-2002-279 dated September 12, 2002. As such, we are able to complete the Human Resources Development Committee's (HRDC) request to compile a statewide list of all upcoming local training (technical & non-technical), conferences, and workshops that your office is planning, organizing, conducting and/or sponsoring.

This information can now be accessed via the Human Resources intranet Career Development webpage, http://web.or.blm.gov/or953/careerdevelopment. It will be updated as new information is received whether to postpone, cancel, or add a new course. We hope you will find this list a useful tool to learn about local opportunities.

If you are planning a training, conference or workshop, please remember to complete Training/Conference/Workshop Information form which can be found in the same website as above. E-mail the completed form(s) to emo@or.blm.gov. Questions may be directed to Edna Mo, Branch of Human Resources, 503-808-6538.

Districts with Unions are reminded to notify their unions of this IB and satisfy any bargaining obligations before implementation. Your servicing Human Resources office or Labor Relations Specialist can provide you assistance in this matter.
