

Dear Western Oregon BLM,

✓69 Sept 23, 2007

I urge you to protect our
precious old growth forests and
streamside reserves.

Please STOP for one moment and
think about how logging would dramatically
alter our delicate natural environment.

For generations to follow us, I ask you
Sincerely, to consider stopping the plan for logging.
Thank you!

Name: Lynne Schwartz

Address: 377 W. 8th Ave. #307
