To Whom It May Concern Re: Western Oregon Plan Revisions

I am writing to show my support for the *No Action Alternative* in the BLM's Western Oregon Plan Revision.

I have enjoyed living in the beautiful trees on my property in rural Lane County for 35 years.

I favor the *No Action Alternative* because it would protect old growth forests and extend the protection for the Northern Spotted Owl under the Northwest Forest Plan.

Thank you for soliciting the opinions of residents.

Sincerely,

John Bugley
