To: DISTRICT MANAGER
FROM: ROBERT G. LATHROP, FORESTER REP. NAT
CONN

IN 2000 PRESIDENT BUSH AND HIS
STAFF TOOK THE SCIENTIFIC PLAN I
DEVELOPED (SUPPORTED BY 100% OF
FORESTERS, AND IN 2002 THE
U.S. SUPREME COURT, PRESIDENT
AND SEC OF INTERIOR ACTED ON
IT.

DOES YOUR FUTURE PLAN
PRICE THE ROTATION AGE (IT TOOK
2 ROTATIONS FOR ME TO DO IT) &
RESTORE THE NATURAL AGE GROUPS,
OR IS IT BASED ON VOLUME
ALONE, LOWERING THE LAND BASE
TO PLANTATIONS?

WHY CONN. ISN'T INVOLVED NOW IN
THE PICTURE, AND IN PERPETUITY,

THERE WILL BE A VOLUME
OVER & ABOUT HARVEST OF MATURE
TIMBER.

YOUR ACTION HAVE BEEN JUSTIFIED
BY A COURT DECISION, BUT SO
HAVE MINE, BY JUDGE DWYER,
THE DEPT OF JUSTICE, PRESIDENT,
INSPECTOR GENERAL OF INTERIOR, FBI
& A CROSS SECTION OF FORESTRY
PROFESSIONALS, AS WELL AS THE
MULTIPLE USE LAWS.

YOUR HARVEST SHOULD NOT
DEVIATE FROM WHAT THE AMERICAN
PEOPLE HAVE SHOWN THEY WANTED,
AND SCIENTIFIC RESTORATION OVER
TIME.

I DO NOT KNOW WHAT THEY DO.
Gene Seck
