Oregon State Office
Bureau of Land Management
333 SW 1st Avenue
Portland, OR 97204

Dear Land Manager,

We are appalled that the Oregon Bureau of Land Management is moving forward with the Western Oregon Plan Revision to increase old growth logging. It seems to us that the Bush Administration's rapaciousness and the BLM's complicity have no bounds. Won't you reconsider this unpopular, shortsighted plan and do what's best for Oregon and our nation.

Sincerely,

Richard L. Thompson

Linda M. Thompson
