Near Bureau of Land Management Personnel,

I live on Quartz Creek Road and have enjoyed
country living since 1984.

Quartz Creek has a one lane bridge as
you turn off Hugo Rd and then a
blind corner which some of us have
tried to keep a yellow line going down
the middle of the road. Our traffic
is more and more as the years come
and go. We also have the large logging
trucks at speeds that should not be.
The pick-ups with trailers or the
motorcycles in the beds do not use
their heads and watch their speeds either.

We have many walkers on our road
who still enjoy our beautiful area.

Please think about this lovely neighbor-
hood as the BLM think of their
long range for off-road.

Respectfully yours,
