Bureau of Land Management
Western Oregon Plan Revisions
P. O. Box 2965
Portland, OR 97208

RECEIVED
JAN 10 2008

January 8, 2008

Logging should be reduced, not tripled, on our public lands.
Please do not go ahead with the revised logging plan that calls for increased road building and timber harvests and reduced environmental protections.

No new roads should be built on public lands.
