PLEASE RETHINK THE PLAN BY B.L.M.  
TO EXPAND LOGGING IN FEDERAL FOREST  
LANDS. OUR REMAINING NATURAL RESOURCES  
ARE ALREADY DEPLETED, DECIMATED AND  
PILAGED - INCREASED LOGGING, ESPECIALLY  
OF OLD GROWTH TREES IS INAPPROPRIATE  
AND COUNTER PRODUCTIVE, NOT TO MENTION  
DANGEROUS AND DEADLY TO THE ONCE  
BEAUTIFUL WORLD IN WHICH WE LIVE.

THANK YOU FOR YOUR CONSIDERATION,

Alix Mascieur
