Revising the BLM's Resource Management Plans in Western Oregon

I am a responsible 30yr. old real estate agent who loves to ride in the John's Peak/Timber Mt. area. My motorcycle is 96 DB, ^(noise) well below Federal and State Standards. I have never been anywhere near a house in this area, and neither have my friends. We all have spark arrestors and we take care of our favorite trails. This area is vital to families. This spot keeps kids off of drugs and off the streets. We need Timber Mt! Please don't listen to the lies from those who would outlaw our sport. There seems to be no negotiation possible with their lying, deceiving methods to stop us from enjoying our public lands. Are there enough golf courses in this valley? Not everybody golfs!

Thank You,
 Ryan J. Csafis
