Dear Sir:

1860

I'm writing to let you know I'm
again WOPR, the Western Oregon plan
revision.

Why do you want to build 1000 new
roads, and remove tree buffers from rivers
and stream?

And why do you want to damage drinking
water?

Please, please make this your very
first resolution. I beg you.

Sincerely,

Anne Shulda

(Mrs. David)
