Revising the BLM's Resource Management Plans in Western Oregon

RECEIVED

JAN 11 2008

I live on Johns Peak area and it would be a very stupid thing to do to close these areas down. All the people who go to these areas are there for some good ol' fashioned American fun. If you go about stopping people from doing this it's bound to cause them to do it in less safe places. We live out in the area when live for this reason, to be able to jump on our bikes & tear down the trail, that would be the biggest crime ~~to~~ to shut these areas down.
