Revising the BLM's Resource Management Plans in Western Oregon

Johns Peak is an excellent place to ride. The trails are well marked, and maintained. It is an all ready established trail park, and it would be a shame to close some thing that so many people have worked so hard to establish and maintain. A lot of people would be dissapointed, and a lot of kids would lose a place to go and do what they love to do. what happens when you take away the kids play area? they usually turn to the street!!
