Revising the BLM's Resource Management Plans in Western Oregon

RECEIVED

JAN 11 2008

Please, listen to reason. Trees are renewable! The revenue generated is just the least the counties need. Also being a mom with a husband & 3 children who all ride & enjoy the trails provided by the BLM. it is a wonderful sport the family shares in. Rights are being stripped away. We need this sport/activity to keep the kids busy & out of trouble. Great family time too!!
