

Know Before You Go

There are 15 individual campsites available on a first-come basis. The sites are \$8 a night and \$3 for an additional vehicle. **Pets are allowed** in the campground, but must be kept on a leash. Each campsite includes vehicle parking, its own picnic table, and plenty of beautiful scenery in every direction. Bureau of Land Management campground hosts are on site year-round.

The day use area includes a large covered pavilion with electricity, a sink, a large barbecue

grill, and restrooms. There is a day use area available for anyone wanting to visit the area but not necessarily spend the night. The day use area is free of charge. ***Pets are not allowed.***

There is a \$40 use fee for the pavilion, and a \$50 refundable cleaning deposit. A permit is required for groups of 25 or more, with a maximum capacity of 50. Reservations can be made up to a year in advance. If there are no reservations and an interested party is fewer than 25 people, day use at the pavilion is free.

Disabled access within the Tyee Recreation site is well-developed, including nearly all campsites, restrooms, pathways, and parking areas. Disabled access to the river is not available.

Directions to the Site

The Tyee Recreation Site is open year-round. Travel 12 miles west of Sutherlin on Highway 138, cross Bullock Bridge, turn right on County Road 57 and travel one-half mile to Tyee Recreation site.

Tyee Recreation Site

Each year, the Tyee Recreation Site attracts both new and repeat visitors who find this site an exceptional setting for leisurely activities. Popular activities include bass fishing, picnicking, and other river activities. Plenty of trees and native wildlife are easily observed at this popular recreation site. Tyee Recreation Site is located north of Roseburg on the main stem of the Umpqua River.
