3. No fees are collected in excess of the actual expense of the trip.
4. There is no financial gain by any member of the group.
5. No salary is directed from shared expenses of the trip.
6. No charge is collected for use of the equipment.

When to Apply: December 1, 2011 to January 31, 2012

Lottery applications must be **received** at the Smullin Visitor Center at Rand no earlier than December 1 and no later than January 31 to be eligible. Phone calls will **not** be accepted on weekends, including January 28 and 29. **Don't wait until the last week in January to apply!**

How to Apply

Application Form

All applicants must use the enclosed “Rogue River Lottery Application” form in an 8 ½ x 11 inch format to be eligible for the Lottery. The form is also available at:

www.blm.gov/or/resources/recreation/rogue/floatspace-lottery.php

All applications that are illegible or incomplete upon receipt will also be disqualified. Changes are not allowed to an application once it is received. **Please print clearly or type your application! Someone has to interpret your handwriting and unreadable applications are disqualified after funds are collected.**

Launch Date

Choose one specific date you wish to **begin** your trip between May 15 through October 15. **List only one date on your application.** Multiple dates and ranges of dates will be disqualified.

Party Size

When applying, list one specific party size up to a maximum of 20. When selecting your party size, remember, a smaller party may have a better chance of staying eligible longer in each day’s drawing as the computer selections approach the daily maximum. **Note: Party size total includes all members of a party, regardless of age.**

Party Leader

Only one application may be submitted per person. **This means your name may appear on only one application, either as the Party Leader or the Alternate Party Leader, in the entire drawing.** Prior to submitting your application, ensure others have not submitted your name as either an Alternate Party Leader or Party Leader.

Duplication Elimination Process

If your name appears more than once on any and all applications received, it will be eliminated from all applications except for one. Your name may only appear once as either the Party Leader, or Alternate Party Leader in the entire Lottery. When eliminating duplicate names or applications in the lottery database, the name or application will be retained only once in this order as it applies: first, the Party Leader spot; second, the earliest calendar date it appears; or third, the first time it appears in the database. All other duplicate applications or names will be eliminated.

Alternate Party Leader

The Alternate Party Leader is the only person who may assume control of a noncommercial permit if the Party Leader is unable to accompany the group on the river trip. Naming an Alternate Party Leader is optional. Anyone named as an Alternate may not be named on any other application. **To prevent the sale or unauthorized transfer of permits, an Alternate Party Leader must be named at the time of application and may not be named or changed after the application is received.**

IMPORTANT: If no Alternate Party Leader has been named on the application, and the Party Leader is unable to accompany the group on the river trip for whatever reason, the trip will be canceled.

Fees

1. Each application submitted requires an application fee of \$6.00.
2. You may make one payment for multiple applications (example; your application and your spouse's application). Multiply the number of applications by \$6.00 to arrive at the correct total payment (example, five applications times \$6.00 per application equals \$30.00 total). Please note who paid for each application when it is someone other than the party leader, in the "Payer" spot.
3. No changes may be made to an application once it is submitted.
4. Payment may be in the form of a personal check, cashier's check, money order, or credit card. Checks from foreign banks will not be accepted. Only checks from United States banks will be accepted. **Do not send cash. Make checks payable to: DOI - BLM.**
5. The application fee is non-refundable, regardless of whether or not you are successful in obtaining a permit in the drawing.
6. Incorrect payment amount will result in disqualification of application(s), checks will be returned and/or credit card payments will not be processed.
7. Do not staple or tape your payment to the application.
8. **Submit your application and payment only once.** Duplicate payments will not be refunded. Do not fax and mail your application(s) as you may be charged for each submission. **If you need to re-fax your application, be sure to write "2nd attempt" across the top.** If your credit card is charged more than once or we receive a check and credit card payment due to multiple submissions, **you will not be refunded the duplicate application fees.**
