Introductions,

Approval of Minutes

Chairman's Report

Seaver

Status of Motions from the Sept. 10th TRT Mtg.

Recommend a letter endorsing Dick Holliday as a member of the DAC
Roy Denner has stepped down.

Motion from ISDRA TRT conference call,

The TRT recommends and supports the concept, of the BLM proceeding with asking the RRAC for approval of a plan to create a incentive for visitors at the ISDRA to purchase their permits before arriving by making the cost of those permits purchased within the planning area of the ISDRA to be more than permits purchased outside of the ISDRA planning area which would remain at \$90 for a annual permit and \$25 for a seven day permit. The TRT would like to know what the BLM is wanting to charge for a permit as a incentive within the planning area before supporting this totally. The TRT presented with the information that the suggested charges for the incentive permits that would be sold within the ISDRA is \$40 for the weekly and \$120 for the season, voted with the results being.

9 - Yes 0-No All TRT members voted
