2009/2010 SPECIAL RECREATION PERMIT SPECIAL STIPULATIONS

Appendix A (obtain copy for reference)

Special Recreation Permittee's (SRP) are subject to the following special stipulations, conditions, regulations, and supplemental rules. Plain English has been used for clarity. Specific regulations {CFR} & Supplemental Rules {Supp. Rule} citations are referenced for those who wish to see the exact wording. These conditions are checked in the appropriate boxes on the back of the Special Recreation Application and Permit Form 2930-1. General rules of conduct in 43 CFR Part 8365 also apply to vendors.

The term "Vendor Permit" refers to Commercial Special Recreation Permit issued for vending

GENERAL

1. A Vendor Permit must be obtained for all commercial use of public lands. **43 CFR 2932.11(a)(1); 43 CFR 2932.57(a)(1); 43 CFR 2932.57(b)(1) & (2)**
2. The permittee must follow all stipulations included in the Vendor Permit Specifically those included in this appendix. **43 CFR 2932.41; 43 CFR 2932.57(a)(2); 43 CFR 2932.57(b)(1) & (2)**
3. BLM may issue a citation, suspend, or cancel a Vendor Permit for violating vendor stipulations. **43 CFR 2932.56(b)**
4. BLM may amend, suspend, or cancel a Vendor Permit to protect public health & safety or natural resources. **43 CFR 2932.57(a)**
5. Vendors shall not obstruct, impede, or harass visitors or others with physical contact while

operating under a Vendor Permit. **43 CFR 2932.57(a)(6)**

6. Vendors shall not refuse to leave or disperse when directed by a law enforcement officer. **43 CFR 2932.57(a)(7)**
7. State & County health, building & sanitation codes apply to structures (both permanent and mobile) on public lands. **Supp. Rule, Federal Register 09/13/1991, Vol. 56, No. 178, pp. 46641-2**
8. Equipment left unattended more than 72 hours will be considered abandoned, and may become the property of the U.S. Government. **43 CFR 8365.1-2 and 2-3(c)**
9. On public lands, no person shall camp longer than the period of time permitted by the authorized officer. **43 CFR part 8365 1-2 & 1-6.** ISDRA Stipulations state that no person shall camp more than 14 days within a 28 day consecutive period within the ISDRA.
10. The permittee shall comply with all; Federal, State, local laws, ordinances, regulations, orders, postings, or written requirements applicable to the area of operations covered by the Vendor Permit. The permittee shall ensure that all persons operating under the authorization have obtained all required Federal, State, and local licenses or registrations. The permittee shall make every reasonable effort to ensure compliance with these requirements by all agents of the permittee and by all clients, customers, participants, or spectators under the permittee's supervision. **BLM H-2930-1**
11. A Vendor Permit authorizes uses of the public lands and related waters and should circumstances warrant, the permit may be modified by the BLM at any time, including modification of the amount of use. The authorized officer may suspend or terminate a Vendor Permit if necessary to protect public resources, health, safety, the environment, or because of noncompliance with permit stipulations. Actions by the BLM to suspend or terminate a Vendor Permit may be appealed. **BLM H-2930-1**
12. No value shall be assigned to or claimed for the permit, or for the occupancy or use of Federal lands or related waters granted thereupon. The permit privileges are not to be considered property on which the permittee shall be entitled to earn or receive any return, income, price, or compensation. The use of a permit as collateral is not recognized by the BLM. **BLM H-2930-1**
13. Unless expressly stated, the Vendor Permit does not create an exclusive right of use of any area by the permittee. The permittee shall not interfere with other valid uses of the Federal land by other users. The United States reserves the right to use any part of the area for any purpose. **BLM H-2930-1**
14. The permittee or permittee's representative may not assign, contract, or sublease any portion of the permit authorization or interest therein, directly or indirectly, voluntarily or involuntarily. However, the contracting of equipment or services may be approved by the authorized officer in advance, if necessary to supplement a permittee's operations. Such contracting should not constitute more than half the required equipment or services for any one trip and the permittee must retain operational control of the permitted activity. If equipment or services are contracted, the permittee shall continue to be responsible for compliance with all stipulations and conditions of the permit. **BLM H-2930-1**

15. All advertising and representations made to the public and the authorized officer must be accurate. Although the addressees and telephone numbers of the BLM may be included in advertising materials, official agency symbols may not be used. The permittee shall not use advertising that attempts to portray or represent the activities as being conducted by BLM. The permittee may not portray or represent the permit fee as a special Federal user's tax. The permittee must furnish the authorized officer with any current brochure and price list if requested by the authorized officer. **BLM H-2930-1**
16. The permittee must assume responsibility for inspecting the permitted area for any existing or new hazardous conditions, e.g., trail and route conditions, land slides, avalanches, rocks, changing water or weather conditions, falling limbs or trees, submerged objects, hazardous wildlife, or other hazards that present risks for which the permittee assumes responsibility. **BLM H-2930-1**
17. In the event of default on any mortgage or other indebtedness, such as bankruptcy, creditors shall not succeed to the operating rights or privileges of the permittee's Vendor Permit. **BLM H-2930**
18. The permittee cannot, unless specifically authorized, erect construct, or place any building, structure, or other fixture on public lands. Upon leaving, the lands must be restored as nearly as possible to pre-existing conditions. **BLM H-2930-1**
19. The permittee must present or display a copy of the Vendor Permit to an authorized officer's representative, or law enforcement personnel upon request. If required, the permittee must display a copy of the Vendor Permit or other identification tag on equipment used during the authorized use. **BLM 43 CFR 2932.57(a)(4) & (5) BLM H-2930-1**
20. The authorized officer, or other duly authorized representative of the BLM may examine any of the records or other documents related to the Vendor Permit, the permittee or the permittee's operator, employee, or agent for up to 3 years after expiration of the Vendor Permit. **BLM H-2930**
21. The permittee shall notify the authorized officer of any accident that occurs while involved in activities authorized by this Vendor Permit which results in: death, personal injury requiring hospitalizations or emergency evacuation, or in property damage greater than \$2,500 (lesser amounts if established by State Law). Reports should be submitted within 48 hours of death or injury, or 10 days in accidents involving property damage. **BLM H-2930-1**

APPLICATIONS/ PERMITS/UPDATES/CHANGES

22. A separate application package is needed for each unit conducting business on the same day.
23. All applications must provide a list of all goods and/or services being provided. The vendor must own the merchandise or a written agreement for consignment must be included with the application.
24. The permittee must have the approved Vendor Permit and the approved Vendor Update/Change Request in their possession prior to starting operations on public lands.

25. Vendor Permits for the Imperial Sand Dunes Recreation Area are approved for the season (October 1st - May 31st) but they are valid only for the days authorized on approved Vendor Update/Change Request. The authorized days are defined as vendor days.
26. Approved BLM Vendor Update/Change Request must have an **original** BLM date stamp in the "Date Sent" box. Duplication/photocopying of an approved Vendor Update/Change request are not permitted and will be considered invalid.
27. Only vehicles/trailers listed on the **Vendor Vehicle Sheet** or as an approved change on an approved Vendor Update/Change Form are allowed on the site as part of the approved permit.
28. Request for specific dates and all changes must be received by BLM at least **14 days** in advance of the requested dates on the Vendor Update/Change Request.

FEES

29. Fees are required for any day, or part of a day, that a vendor is conducting commerce/business (e.g., setting up, taking down, advertising, selling, providing a service).
30. Vendors are required to pay the Vendor Permit fees in advance. **43 CFR 2932.57(a)(1) & (b)**. The El Centro Field Office requires the fees to be received 14 days in advance of the days being paid for.
31. All fees must be paid in United States currency.
32. Vendors must have in their possession the Weekly **or** the Season non-commercial Vendor Permit (Oct 1st- Sept 30th) for each primary vehicle.
33. The \$95.00 minimum application fee is non-refundable. **43 CFR 2932.33(c)**
34. The \$190.00 assigned site fee for the Gecko Road Vendor Pad sites is non-refundable. **43 CFR 2932.33(c)**
35. Fees for days cancelled and/or suspended for noncompliance with Federal, State, or county laws, regulations, stipulations, or ordinances will not be refunded.
36. Vendors authorized to use Post Use Reports must submit them monthly with any **fee adjustment** that may be needed. These vendors may still need to pay for the estimated days they will be vending in advance. The Post Use Reports and fees must be received by the 7th of each month.

INSURANCE

37. The vendor/business, at all times while on public lands, must be covered by a general liability insurance policy; at a minimum the insurance needs to be in the amount of **\$300,000 per occurrence, \$600,000 annual aggregate for bodily injury and \$30,000 property damage per occurrence with \$55,000 aggregate.** If deemed necessary by the authorized officer,

additional coverage may be required. Additional insurance will be required for high risk activities such as equipment rentals. **NOTE:** Vehicle insurance is not acceptable as a substitute for general business liability insurance.

38. The Certificate of Insurance must show the Bureau of Land Management as both the certificate holder and as **additional insured**.
39. The business name used on the original application **must be** the same name used for the liability insurance. **43 CFR 2932.43(b)**

OTHER NON-BLM PERMITS

40. Imperial County and State of California permits and licenses **must be posted** and placed in a visible location at each vending site.
41. The permittee is responsible with providing BLM with copies of County and city licenses and permits that are renewed during the life of the Vendor Permit. In addition, the permittee is responsible for submitting a valid driver's license and/or identification card for all employees, and valid insurance and registration copies.

VENDOR AREA OPERATIONS

42. Vendors must post a copy of the Vendor Permit where customers and BLM employees can read and must show a copy when requested by a customer or BLM employee. **43 CFR 2932.57(a)(4); 43 CFR 2932.57(a)(5)**
43. A Special Recreation Permit for vending does not authorize or recognize flea market operations by a vendor on public lands. Specific authorization is required for all items sold and services provided.
44. The permittee will be responsible for proper removal and/or disposal of all trash and litter generated at the vending site.
45. Hazardous materials (e.g., black water and grey water) must be disposed of at an appropriate site according to California State Laws and Regulations. If a vendor is found disposing of **any** hazardous material their Vendor Permit is subject to immediate cancellation and/or suspension.
46. Concessions producing trash (e.g., food vendors) must provide a 30-gallon trash container with an affixed lid.
47. All signs and advertisements not affixed to vehicles will be mounted to a wooden lath or similar breakaway material. Vegetation will not be used. No metal signposts or wire will be used creating a potential safety hazard to area users. All sign materials must be removed when leaving the area after vending has been completed.
48. Stationary night operations will not be conducted without suitable illumination.
49. All vendor areas are available on a first come-first serve basis. A reservation system is in consideration but is not in effect. A lottery system is held for the Gecko Road Vendor Pad

sites if the number of applications exceeds the available sites and/or dates.

50. All vendors must have their stationary and/or roving units properly marked and displayed with the business name. The business name must be readily distinguished from items being sold.
51. Public address systems and/or amplified music are authorized between the hours of **6am-10pm**.
52. Reserving or saving a vending spot with equipment and/or roping an area off **prior** to the approved vendor dates will not be permitted and will be considered a violation of the Vendor Permit as well as the ISDRA rules and regulations.
53. All sales must be made by the permit holder or by a legal employee of the permit holder.
54. The permittee shall maintain vehicles and service equipment and the vending site in a neat, orderly, sanitary, and safe condition.
55. On approved vendor days, vendors shall conduct business at the approved locations. The authorized officer may make case by case exceptions (e.g., temporary repairs, break down of refrigeration equipment, restocking supplies).
56. On non commercial vendor days, there will be no housing or storage of equipment on public lands. All vending equipment and related material must be removed from public lands. The only equipment allowed to remain on public lands are vehicles for camping or recreating (e.g. recreation vehicle, dune buggy) when the individual has a valid Imperial Sand Dunes Recreation Use Permit. **The 14 day camping limit within a 28 day consecutive period is in effect for the ISDRA.**
57. Public access to dumpsters **will not** be obstructed. Vending operations will not occupy sites within 100 feet of any dumpster.
58. Vending operations will not obstruct public access to recreation sites.
59. Vendors must be able to remove all structures, equipment, and other materials from public lands within 24 hours if directed to by the BLM or other agencies.
