Our Mission at Fort Ord

The Bureau of Land Management is working with partners to protect rare plants and animals on this former Army Base in the beautiful Monterey Bay region, and to provide top-notch, environmentally-sensitive recreation opportunities.

We hope that you enjoy your visit to this special place, and we are honored that you choose to spend your leisure time here.

Watch For our Road and Trail Signs

Single Track—popular for hikers and bikers. Watch your speeds and avoid when wet.

Closed Trails—are also unsigned trails.

Administrative Roads—most are graveled; a few are paved. More durable for wet use.
