LEGAL NOTICE

TO WHOM IT MAY CONCERN:

The United States of America, through the Bureau of Land Management, Palm Springs-South Coast Field Office, at the above address, has initiated trespass proceedings pursuant to Title 43 CFR 2920.1-2 under the authority of the Federal Land Policy Management Act against certain unauthorized property generally described as two 18' x 40' wood frame and plywood cabins, one out building, and miscellaneous personal property in and around the cabins and outbuilding, including two salvage motor vehicles located on the following described lands under the jurisdiction of the Bureau of Land Management:

T.3 S., R.6 E., Sec. 8, NE¼
Riverside County, CA

WHEREAS, the existence of said property upon said lands constitutes unlawful trespass and interference with the proper and efficient administration and management of said lands, and in addition thereto establishes liability to the United States for the unauthorized use and occupancy of said lands.

NOW, THEREFORE, PLEASE TAKE NOTICE that all said property is hereby required to be removed from said land on or prior to March 15 2008, and, in the absence of such removal by such time, the United States, in order to eliminate public hazard and prevent further trespass upon said land, will without further or any additional notice of any kind whatsoever and without liability take possession, destroy, or remove said property at the owners expense.

The United States will also take possession of and remove any personal property of value that may be found on the premises, and the land, by the removal date given in this notice, and will store said personal property, all at the owners expense, at or near the Palm Springs-South Coast Field Office. Such property may be claimed within 30 days after removal, upon payment of trespass liability including storage expenses as may accrue. Failure to claim said property within the specified time will constitute abandonment, and said property shall become the property of the United States.

Failure to remove said property by the removal date and resolve trespass liability may result in trespass penalties and a citation for the owners appearance before a designated United States magistrate who may impose a fine of not more than \$100,000 or imprisonment of not more than 12 months, or both, under Title 43 CFR 9262.1.
