

INTERIM PROGRESS REPORT COVER SHEET **FEDERAL SAVE AMERICA'S TREASURES AWARD**

The Interim Progress Report is used to monitor the progress of activity as the work being performed under this award proceeds. To answer items 3 - 12, you must attach additional sheets and attach photographs. Sign and date this cover sheet below.

1. Project Title/Name: **Retrieval and Preservation of Southwest Colorado Collections**
2. Interagency Agreement Number: **1443IA000199016**
3. Identify requested amendments (if any) to the original Interagency Agreement (Summary of Planned Results and/or Work-Cost Budget). **Not Applicable.**
4. Briefly describe progress from **June 16, 2001 through December 15, 2001** in completing the project.
5. What work has been completed to date?
 - **Payne Site collection has been repackaged, cataloged and entered into the data base. Work on this collection is complete.**
 - **Ansel Hall collection retrieved and collection has been repackaged, cataloged and entered into the data base. Work on this collection is complete.**
 - **Mockingbird Mesa Ft. Lewis College collections have been repackaged, cataloged and entered into the data base. Work on this collection is complete.**
 - **New site forms were completed for the Cow Mesa-Squaw Point 1977 Survey.**
6. What work is currently underway?
 - **AHC has completed about 95% of the data entry for the Mockingbird Mesa Class III Survey.**
 - **Chimney Rock collection transferred to the AHC and 20% of the collection has been repackaged, cataloged and entered into the data base.**
 - **Hovenweep collection has been retrieved and 5% of the collection has been repackaged, cataloged and entered into the data base.**
 - **AHC contractors are repacking collections to meet 36CFR79 standards.**
 - **Data conversion contractor is initiating the move of all data sets into ARGUS on the AHC server.**
 - **AHC staff is anticipating the testing of the new data sets and will coordinate with source institutions for review of random printouts. Once data is finalized, printouts of the variables and data dictionaries will be done for archival backups.**
7. What work has not yet been initiated?
Not Applicable.

8. How much of the required 50% nonfederal matching share has been used to date (6/25/99-12/15/2001) to perform work under this award? **\$196,397**

9. What difficulties have you encountered to date in completing the work?

- **We have had some turn-over in contractors which has slowed work slightly while new contractors are trained.**

10. What changes in Products or Budget are anticipated? If any changes are anticipated, please indicate when a written amendment request will be submitted. **Not Applicable**

11. Will you be able to complete this project on time? **Yes, unless we encounter unanticipated problems.** If not, why not? **NA**

12. Attach two 8X10 inch black-and-white photographs or color slides of assisted work being performed. For building projects, attach two 8X10 inch black-and-white photographs or color slides of the Project Sign that must be erected during the project.

NOTE: Failure to submit timely and acceptable progress reports places the Agency in noncompliance with the terms and conditions of the Interagency Agreement and can result in withholding of payments or in suspension or termination of the award.
