Uncompahgre Travel Management Update and Additional Public Comment Period

- The public meeting, November 8, 2007 at the DMEA building in Montrose, will be an Open House from 3-5 p.m. and 7-9 p.m.

Meeting topics include:

- Discuss how scoping comments were used in setting up travel management areas, or sub-regions, and formulating desired future outcomes and management objectives for each sub-region. (There will be a summary of the scoping comments available for review.)
- Show the sub-regions (travel management areas) and the objectives for each sub-region
- Show four draft alternative travel network systems and the objectives for each draft alternative travel network system
- Invite the public to submit written comments **(due by January 10, 2008 however the sooner the better)** to help formulate a travel network system.
