

## Uncompahgre RMP Planning Units

14

Miles

Projection NAD 1983, UTM Zone 13  
December 17, 2009

No alleged warranty is made on the accuracy, reliability and completeness of these data for individual use or aggregate use with other data. Spatial data may not meet National Map Accuracy Standards. This information may be updated without notification.

The Uncompahgre RMP decision area excludes the Gunnison Gorge and Dominguez-Escalante NCAs. Separate plans have and/or will be made for those areas.

\*The Colorado Wilderness Act of 1993 protects the wilderness characteristics of the Roubidau and Tabeguache Areas but does not label them as Wilderness. They are illustrated on this map as Wilderness.
