Dear Reader:

I am pleased to announce that the Kremmling Draft Resource Management Plan and Draft Environmental Impact Statement (DRMP/DEIS) has been published and the public comment period is open. The DRMP/DEIS is the revision of the 1984 Kremmling RMP.

The DRMP/DEIS is available now for downloading and review at [http://www.blm.gov/co/st/en/BLM\\_Programs/land\\_use\\_planning/rmp/kfo-gsfo/kremmling.html](http://www.blm.gov/co/st/en/BLM_Programs/land_use_planning/rmp/kfo-gsfo/kremmling.html). A compact disc that contains the entire DRMP/DEIS is available, upon request. And, printed paper copies will be available in limited quantities in mid-October.

The formal public comment period began September 16, 2011. The closing date for comments remains to be determined, but it will be 90 days from the date the printed paper copies are available to the public, making it sometime in January 2012. We will be providing information on the comment period's closing date as it becomes available.

Public open-house meetings have been scheduled, as follows:

October 27, 2011, Granby Community Center, 125 North 3<sup>rd</sup>, Granby, CO.

November 3, 2011, The Wattenberg Center, 682 County Road 42, Walden, CO.

November 8, 2011, CSU Cooperative Extension Building, Fairgrounds, Kremmling, CO.

Each of these meetings will be from 4:00 p.m. to 7:00 p.m. These meetings will be opportunities to meet informally with the Kremmling Field Office staff for the purpose of asking questions and getting clarification about topics of interest in the DRMP/DEIS.

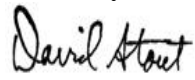

If you want to provide comments, you can submit them electronically by e-mail to [co\\_kremmlingrmp@blm.gov](mailto:co_kremmlingrmp@blm.gov), or by postal mail to RMP Comments, Bureau of Land Management, Kremmling Field Office, P. O. Box 68, Kremmling, CO 80459.

The most effective comments will address specific details of the Draft RMP, including methodologies, sources of information, and components of the alternatives. All written comments received will be considered during the BLM's decision-making process, but only specific, substantive comments will be addressed in the Proposed RMP/Final EIS.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment -- including your personal identifying information -- may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Please feel free contact Dennis Gale, RMP Project Lead at (970) 724-3003, if you have questions.

Sincerely,

A handwritten signature in black ink that reads "David Stout". The signature is written in a cursive, slightly slanted style.

David Stout  
Field Manager
