Subject: List of Acceptable Sureties on Federal Bonds

The Department of the Treasury listing of acceptable sureties on Federal bonds, effective July 1, 2009, can be viewed online by accessing the Department of Treasury, Financial Management Service homepage at <http://www.fms.treas.gov/c570/c570.html>. Click on Certified Companies under the heading "Department of the Treasury's Listing of Approved Sureties (Department Circular 570)." Scroll down to see the list.

A surety bond should not be accepted if the surety company does not appear on the list.

Please share this list and website with anyone in your office who processes bonds. If you have any questions, you may contact Judy Phelps, Land Law Examiner, at (208) 373-3883.
