## Contest to Name Condor #378!

Condor #378 has recently moved into her new display chamber at The Peregrine Fund, and she needs a name for visitors to call her by...

We are asking Treasure Valley -area students to submit their ideas. There are three categories: grades 1-2, 3-4 and 5-6. One finalist will be selected from each category, and during late October, each finalist will be invited to bring his or her class on a free fieldtrip to The Peregrine Fund World Center for Birds of Prey!

For more information on California Condors, please visit our website at [www.peregrinefund.org](http://www.peregrinefund.org).

### Guidelines:

To reflect the heritage of our home state, condor #378 is looking for a name related to Idaho's Native American tribal languages, cultures or histories. The name itself can be anything, but it *must* have a legitimate meaning in the language of an Idaho tribe.
