

**NOTICE OF FOREST MANAGEMENT DECISION- BUREAU OF LAND
MANAGEMENT- IMPLEMENTATION OF WEST CAMAS FOREST RESTORATION
AND TIMBER SALE.** The Bureau of Land Management (BLM), Shoshone Field Office, will implement vegetation treatments that include the harvest and sale of forest products. These treatments will occur within the West Camas project area 13 miles northwest of Fairfield, Idaho. A forest products sale notice that provides information concerning bid submissions, appraised prices, and conditions of the forest products sale will be issued at a latter date. The purpose of the treatments is to increase the vigor and sustainability of forest communities by reducing tree densities and the spread of Douglas-fir dwarf mistletoe. An environmental assessment (EA) has been prepared to provide an analysis of impacts that are associated with the approved actions. In addition to the EA, a Finding of No Significant Impact (FONSI) and Decision Record are available at <http://www.blm.gov/id/st/en/info/nepa.html>, or for a hard copy of these documents you may contact the Shoshone Field Office at (208)732-7200.

The decision to implement these forest management actions may be protested under 43 CFR 5003- Administrative Remedies. As outlined in 43 CFR 5003.3 (a) and (b), protests of a forest management decision may be made within 15 days of the publication date of this decision notice and shall contain a written statement of the reasons for protesting the decision. In accordance with the regulations protests shall be filed before close of business (4:15 pm) on the 15th day with the authorized officer, Ruth A. Miller, at Shoshone Field Office, 400 West F Street, Shoshone, ID 83352. Protests shall be in the form of a written statement of reasons for protesting the decision, signed, and delivered to the physical address listed above. Therefore, e-mail, verbal, or other facsimile protests will not be accepted.
