

## **AGENDA FOR RAC CHAIRPERSON MEETING**

**TUESDAY, APRIL 8, 2003**

9:00 Welcome and introductions and overview. K Lynn Bennett, Jack Sept

### **Morning Goals:**

Follow-up from last meeting on statewide issues and update on Standard and Guides Review and ORV strategy. Jon Foster/Jack Sept

Discussion on what is next on these issues, what do we want from RACs, What do they want or need from us and what other steps should we be taking. All

Completing and agreeing on our Annual Work Plans for local and state wide issues. (Template from Washington Office) This will help us track accomplishments and form a structured way to agree upon issues and priorities. All

11:30 Lunch

### **Afternoon Topics**

1:00 Discuss Washington Trip, agenda and topics Idaho might bring up. Examples of successes, proposed changes etc. so we have a united front in Washington. All

Over view on "Sustaining Working Landscapes" and proposed changes to BLM grazing regulations. Jon Foster. These are topics that are on National Agenda that we want to be familiar with.

Any other business that the group might want to discuss.

Approximately 2:30 Adjourn
