Compensatory Royalty Agreement Account Established

The Bureau of Land Management has notified the Minerals Management Service (MMS) Royalty Management Program that it will be necessary to establish an account for the compensatory royalty agreement identified above. Upon issuance of the agreement, the account will be established in a minimum royalty status of \$1.50 per acre or fraction thereof during the first 5 years of the agreement, and in a minimum royalty status of \$2 per acre or fraction thereof for the sixth and subsequent years of the agreement. Minimum royalty will be due for any year after issuance of the agreement in which royalty payments aggregate less than the amount indicated per acre. The account will be established under the MMS Business Information System effective (Date).

If you have any questions concerning payments or reports, you may contact the MMS at (303) 231-3288 or at the following address.
