Volume I

Reader's Guide and Summary	ix
-----------------------------------------	----

Chapter 1: Introduction

Background	1
Purpose and Need.....	2
Planning Area	2
Collaboration.....	4
Planning Process.....	4
Scoping.....	4
Issues Addressed	5
Issues Considered but Not Analyzed Further	6
Planning Criteria.....	8
Related Plans	9
Relationship to BLM Policies, Plans, and Programs	10
Vision and Management Goals.....	11
Development of Alternatives.....	12
Draft Resource Management Plan.....	12
Final Resource Management Plan	12

Chapter 2: Alternatives

Introduction	13
General Description of Each Alternative.....	13
Summary of Major Changes (to Decisions Common to All Alternatives and the Preferred Alternative).....	15
Decisions Common to All Alternatives	16
Air Quality	17
Cultural Resources	18
Fish and Wildlife.....	20
Geology.....	23
Soils	23
Vegetation – Native Plants.....	24
Vegetation - Riparian	25
Vegetation – Noxious and Invasive Plants.....	25
Visual Resources.....	26
Water Quality.....	27
Water Developments and Water Rights	27
Reserved Water Rights.....	28
Lands and Realty.....	29
Livestock Grazing.....	30
Minerals – Oil and Gas	32
Recreation	33
Transportation.....	35
Fire Management	36
Wilderness Study Areas	37
Current Management and Action Alternatives	38
Health of the Land and Fire	39
Fish and Wildlife – Greater Sage-Grouse Habitat	41
Fish and Wildlife – Black-tailed Prairie Dogs	42
Fish and Wildlife – Mitigation	43

Vegetation	46
Range Improvements.....	48
Visual Resources.....	49
Forest Products.....	51
Right-of-Way Corridors, Avoidance Areas and Exclusion Areas	52
Land Ownership Adjustment.....	57
Fire Management.....	57
Wild and Scenic Rivers (Cow Creek, Eagle Creek and Dog Creek)	60
Visitor Use, Services and Infrastructure	61
Recreation.....	63
Upper Missouri River Special Recreation Management Area (SRMA).....	71
Uplands Special Recreation Management Area (SRMA).....	80
Natural Gas Exploration and Development	85
Oil and Gas	87
Oil and Gas Lease Stipulations and Conditions of Approval	87
Natural Gas Operations	103
Access and Transportation	109
Access	111
BLM Road System	112
Aviation	125
Alternatives Considered but Not Analyzed in Detail	126
Comparison of Alternatives	128

Chapter 3: Affected Environment

Introduction.....	175
Critical Elements.....	175
Air Quality	175
Climate	176
Cultural Resources	176
Fish and Wildlife.....	179
Geology.....	189
Paleontology.....	193
Soils.....	194
Vegetation – Native Plants.....	195
Vegetation – Riparian	196
Vegetation – Noxious and Invasive Plants.....	198
Visual Resources.....	199
Water.....	200
Forest Resources	202
Lands and Realty.....	203
Livestock Grazing	205
Minerals – Oil and Gas	207
Recreation	213
Transportation	225
Fire Management	230
Special Designations	231
Social and Economic Conditions	238

Chapter 4: Environmental Consequences

Introduction.....	271
Analysis Assumptions and Guidelines	271
Climate.....	271
Cultural Resources.....	271
Fish and Wildlife	272
Water	274

Range Improvements	274
Minerals – Oil and Gas	275
Recreation – River	276
Recreation – Uplands	276
Transportation.....	276
Fire Management	276
Social Conditions	277
Impacts from the Alternatives	277
Air Quality	277
Cultural Resources	280
Fish and Wildlife.....	286
Geology and Paleontology	324
Soils	325
Vegetation – Native Plants.....	341
Vegetation – Riparian	352
Vegetation – Noxious and Invasive Plants.....	355
Visual Resources.....	361
Water.....	367
Forest Resources	370
Lands and Realty.....	371
Livestock Grazing.....	374
Minerals – Oil and Gas	383
Recreation	402
Transportation	424
Fire Management	436
Wilderness Study Areas	439
Social Conditions	445
Economic Conditions	457
Unavoidable Adverse Impacts.....	468
Short-Term Use versus Long-Term Productivity	468
Irreversible and Irrecoverable Commitment of Resources.....	468

Chapter 5: Consultation and Coordination

Introduction	469
Public Participation Opportunities.....	469
Consultation and Coordination.....	472
Plan Distribution.....	532
List of Preparers	537

Volume II

Chapter 5: Consultation and Coordination (Continued)

Public Comments on the Draft RMP/EIS	539
Summary of Public Comments – Personal Opinions or Preferences	539
Commenter Index	543
Responses to Public Comments.....	607
Comment Group Codes	608
Comments and Responses	609

Volume III

Bibliography	1237
Glossary.....	1255
Index.....	1263

Appendices

A Resource Advisory Council Recommendations, 1999	1265
B Proclamation 7398 of January 17, 2001.....	1271
C Natural Resources on BLM Land, Upper Missouri River Breaks National Monument	1277
D Governor's Task Force Recommendations	1283
E Scoping Issues.....	1285
F Issues Considered but Not Analyzed Further.....	1293
G Vision and Management Goals	1297
H Implementation and Monitoring	1299
I Federal and Montana Ambient Air Quality Standards.....	1303
J Standards for Rangeland Health and Guidelines for Livestock Grazing Management.....	1305
K Best Management Practices	1309
L Cultural Resource Use Categories	1317
M Watershed Planning Process	1323
N Grazing Allotments.....	1325
O Oil and Gas	1329
P Wild and Scenic River Eligibility and Suitability Report	1401
Q Visitor Use Standards and Indicators.....	1415
R Wildlife	1421
S Soil Survey Geographic (SSURGO).....	1433
T Important Vegetation Species Found in Riparian Areas	1451
U Noxious/Invasive Plant Species at Recreation Sites	1453
V Rights-of-Way	1455
W Economic Tables Showing Industry Output, Employment, Income, and Income per Job by North American Industrial Classification System (NAICS) Division For the Five Counties in the Study Area	1457
X U.S. Fish and Wildlife Service Concurrence	1463

Figures

Chapter 1 Figures

1.1 Planning Area.....	3
1.2 Steps in Preparing the Resource Management Plan.....	5

Chapter 3 Figures

3.1 Black-Footed Ferret Introductions	183
3.2 Mountain Plover Locations	187
3.3 Geology of Northcentral Montana	191
3.4 Geologic Formations.....	192
3.5 Riparian Community Health on Woodhawk Allotment.....	206
3.6 Monument Study Area	208
3.7 Meter Shed.....	211

3.8	Well Head Only.....	211
3.9	Meter Run within Meter Shed	211
3.10	Upper Missouri River Historic Visitor Use 1975-2006.....	217
3.11	Upper Missouri River Average Visitor Use Distribution by Week, May-September, 2002-2006	218
3.12	Comparison of Commercial and Total Upper Missouri River Visitor Use 1997-2006	223
3.13	Distribution of Personal Income by Source, Five-County Area 2004.....	247
3.14	Distribution of Federal Mineral Revenues from Public Domain Lands	256

Tables

Chapter 1 Tables

1.1	BLM Surface Ownership by County	2
-----	---------------------------------------	---

Chapter 2 Tables

2.1	Federal Prevention of Significant Deterioration of Air Quality Allowable Increments for Class II	17
2.2	Watershed and Landscape Plans Completed.....	24
2.3	Water Facility Maintenance and Reconstruction Activities	31
2.4	Montana Wilderness Recommendations for WSAs in the Monument.....	38
2.5	Visual Resource Management Class Designations.....	49
2.6	Utility and Transportation Corridors on the Upper Missouri National Wild and Scenic River, Alternative A (Current Management)	52
2.7	Utility and Transportation Corridors in the Monument, Alternatives B, C, and D	53
2.8	Utility and Transportation Corridors in the Monument, Alternative E	54
2.9	Utility and Transportation Corridors in the Monument, Alternative F (Preferred Alternative)	56
2.10	Options for Wildland Fire Suppression and Prescribed Fire	57
2.11	Wildland and Prescribed Fire Options, Alternative A (Current Management)	58
2.12	Wildland and Prescribed Fire Options, Alternative B	58
2.13	Wildland and Prescribed Fire Options, Alternative C	58
2.14	Wildland and Prescribed Fire Options, Alternative D	59
2.15	Wildland and Prescribed Fire Options, Alternative E	59
2.16	Wildland and Prescribed Fire Options, Alternative F (Preferred Alternative)	60
2.17	Use of Motorized Watercraft on the Upper Missouri River, Alternative A (Current Management).....	72
2.18	Use of Motorized Watercraft on the Upper Missouri River, Alternative B.....	73
2.19	Use of Motorized Watercraft on the Upper Missouri River, Alternative C.....	75
2.20	Use of Motorized Watercraft on the Upper Missouri River, Alternative D	76
2.21	Use of Motorized Watercraft on the Upper Missouri River, Alternative E.....	77
2.22	Use of Motorized Watercraft on the Upper Missouri River, Alternative F (Preferred Alternative).....	80
2.23	Oil and Gas Leases in the Monument.....	88
2.24	Stipulations for Alternative A and Oil and Gas Conditions of Approval for Alternatives B, C, D, E, and F.....	89
2.25	BLM Road Classifications	113
2.26	BLM Road Maintenance Levels.....	113
2.27	BLM Roads Open Yearlong, Seasonally, or Closed, Alternative A (Current Management)	114
2.28	Road Classification and Maintenance Level, Alternative A (Current Management).....	115
2.29	Factors Applied to Existing Roads to Determine if Open Yearlong or Seasonally	116
2.30	BLM Roads Open Yearlong, Seasonally, or Closed, Alternative B	119
2.31	Road Classification and Maintenance Level, Alternative B	119
2.32	BLM Roads Open Yearlong, Seasonally, or Closed, Alternative C	120
2.33	Road Classification and Maintenance Level, Alternative C	120
2.34	BLM Roads Open Yearlong, Seasonally, or Closed, Alternative D.....	121
2.35	Road Classification and Maintenance Level, Alternative D.....	121
2.36	BLM Roads Open Yearlong, Seasonally, or Closed, Alternative E	122
2.37	Road Classification and Maintenance Level, Alternative E.....	123
2.38	BLM Roads Open Yearlong, Seasonally, or Closed, Alternative F (Preferred Alternative)	124
2.39	Road Classification and Maintenance Level, Alternative F (Preferred Alternative).....	124
2.40	Airstrips Open Yearlong, Seasonally, or Closed (by Alternative).....	125

2.41	Summary Comparison of Alternatives	129
2.42	Summary Comparison of the Environmental Consequences	156

Chapter 3 Tables

3.1	Wildlife Distribution in the Monument.....	181
3.2	Unpatented Mining Claims	193
3.3	Visual Resource Management Classes.....	199
3.4	Perennial and Intermittent Streams	201
3.5	Water Developments.....	202
3.6	Water Quality Impaired Streams According to MDEQ (2006).....	203
3.7	Land Ownership in the Monument Area.....	204
3.8	Historical Natural Gas Exploration and Development in the Monument.....	209
3.9	Current Natural Gas Activity in the Monument.....	210
3.10	Pipelines within the Monument Study Area	212
3.11	Upper Missouri River Visitor Use Statistics 2002-2006.....	217
3.12	Upper Missouri River Visitor Use by Segment 2002-2006	218
3.13	Upper Missouri River Watercraft Use – Number of Craft 2002-2006.....	218
3.14	Upper Missouri River Motorized Watercraft Use by Segment Entire Year 2002-2006	218
3.15	Upper Missouri River Motorized Watercraft Use by Segment, Downstream No-Wake Restriction Timeframe (Saturday Before Memorial Day to Sunday After Labor Day) 2002-2006	219
3.16	Motorized Watercraft Use by Put-In and Take-Out Location Entire Year 2002-2006	219
3.17	Motorized Watercraft Use by Put-In and Take-Out Location, Downstream No-Wake Restriction Timeframe (Saturday Before Memorial Day to Sunday After Labor Day) 2002-2006	221
3.18	Upper Missouri River Visitor Use by Group Type 2002-2006.....	222
3.19	County Public Access Routes to or within the Monument.....	227
3.20	BLM-Held Easements.....	228
3.21	Management Classifications and Boundaries for the Upper Missouri National Wild and Scenic River	232
3.22	Population and Social Characteristics for Counties in the Social Study Area in 2000, 2005.....	241
3.23	Change in Total Employment in Study Area Counties, 1995 to 2004	245
3.24	Change in Employment in the Five-County Area, 1991 to 2000	246
3.25	Change in Employment in the Five-County Area, Montana, and the United States, 2001 to 2004	248
3.26	Change in Employment in Study Area Counties, 2001 to 2004.....	249
3.27	Changes in Personal Income and Major Components of Personal Income in the Five-County Area, Montana, and the United States, 1995 to 2004	257
3.28	Changes in Personal Income and Major Components of Personal Income in Study Area Counties, 1995 to 2004	257
3.29	Industry Output, Employment, Income, and Income per Job, by NAICS Division, Montana, 2003 (in 2005 dollars).....	258
3.30	Industry Output, Employment, Income, and Income per Job, by NAICS Division, Five-County Area, Montana, 2003 (in 2005 dollars).....	259
3.31	Industries Ranked by Total Industrial Output (Greater than \$30 Million), Five-County Area, Montana, 2003 (in 2005 dollars).....	260
3.32	Industries Ranked by Total Employment (More than 350 Jobs), Five-County Area, Montana, 2003	260
3.33	Industries Ranked by Total Employee Compensation plus Proprietary Income (Greater than \$10 Million), Five-County Area, Montana, 2003 (in 2005 dollars).....	261
3.34	Distribution of Nonresident Expenditures by Industry (Figures in \$1,000s)	261
3.35	IMPLAN Output Multipliers for Selected Industries, five-County Study Area, Montana, 2003.....	261
3.36	Unemployment Rates for the Five Study Area Counties, Five-County Area, Montana, and the United States, 1995 to 2004 (not seasonally adjusted)	262
3.37	Socioeconomic Summary, Selected Local Communities in the Vicinity of the Monument, 2000	262
3.38	Employment in Top Ten Industries (NAICS), Chinook, Blaine County, Montana, 2000	263
3.39	Employment in Top Ten Industries (NAICS), Big Sandy, Chouteau County, Montana, 2000.....	263
3.40	Employment in Top Ten Industries (NAICS), Fort Benton, Chouteau County, Montana, 2000	264
3.41	Employment in Top Ten Industries (NAICS), Loma, Chouteau County, Montana, 2000.....	264
3.42	Employment in Top Ten Industries (NAICS), Lewistown, Fergus County, Montana, 2000	265
3.43	Employment in Top Ten Industries (NAICS), Winifred, Fergus County, Montana, 2000	265
3.44	Revenues to Counties in Five-County Area, Fiscal Year 2004-2005 (Rounded to nearest \$1,000)	266

3.45	Total Property Tax Levies and Vehicle Revenues in Five-County Area, 2005 (Rounded to nearest \$1,000)	266
3.46	Annual School Revenues by County, 2004-2005	266
3.47	2006 Special Recreation permits Issued for the Monument.....	266
3.48	Annual PILT Payments by County, 2003-2006	267
3.49	Federal Royalty Disbursements for Natural Gas, Oil, and Coal Produced in Study Area Counties, 2004-2006	268
3.50	Gas Tax Road Revenues by County, FY2005	268
3.51	Distribution of Grazing Fee Revenues to US and Counties, FY2006	269

Chapter 4 Tables

4.1	Reasonable Foreseeable Natural Gas Wells, Roads, and Pipelines	275
4.2	Foreseeable Annual Visitor Use on the Upper Missouri River	276
4.3	Fire Occurrence in the Monument.....	276
4.4	Wildlife Habitat within the Oil and Gas Leases in the Monument.....	302
4.5	BLM Road Analysis for Wildlife Habitat, Alternative A (Current Management)	312
4.6	BLM Road Analysis for Wildlife Habitat, Alternative B	313
4.7	BLM Road Analysis for Wildlife Habitat, Alternative C	315
4.8	BLM Road Analysis for Wildlife Habitat, Alternative D.....	316
4.9	BLM Road Analysis for Wildlife Habitat, Alternative E	318
4.10	BLM Road Analysis for Wildlife Habitat, Alternative F (Preferred Alternative)	319
4.11	Backcountry Airstrips within Wildlife Habitat, Alternatives A (Current Management) and B	321
4.12	Backcountry Airstrips within Wildlife Habitat, Alternative C	321
4.13	Backcountry Airstrips within Wildlife Habitat, Alternatives D and F (Preferred Alternative)	321
4.14	Miles of BLM Open or Closed Roads in Riparian Areas by Alternative	354
4.15	Visual Resource Management Class Designations (acres).....	363
4.16	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternatives A (Current Management) and B	364
4.17	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternative C.....	365
4.18	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternatives D and E	365
4.19	Visual Resource Management Classes within the Existing Oil and Gas Leases, Alternative F (Preferred Alternative)	366
4.20	Designated Utility and Transportation Corridors, Alternatives B, C, and D	372
4.21	Designated Utility and Transportation Corridors, Alternative E	372
4.22	Designated Utility and Transportation Corridors, Alternative F (Preferred Alternative)	372
4.23	Oil and Gas Leases Affected by the Stipulations and Likely Conditions of Approval, Alternative A (Current Management)	387
4.24	Oil and Gas Leases Affected by the Conditions of Approval – Alternative B	389
4.25	Oil and Gas Leases Affected by the Conditions of Approval – Alternative C	391
4.26	Oil and Gas Leases Affected by the Conditions of Approval – Alternative D	393
4.27	Oil and Gas Leases Affected by the Conditions of Approval – Alternative E	397
4.28	Oil and Gas Leases Affected by the Conditions of Approval – Alternative F (Preferred Alternative) ...	399
4.29	BLM Road Classification – Alternatives A (Current Management), C, D, and E.....	426
4.30	BLM Road Maintenance – Alternative A (Current Management)	427
4.31	BLM Road Classification – Alternative B	427
4.32	BLM Road Maintenance – Alternative B.....	428
4.33	BLM Road Maintenance – Alternative C	429
4.34	BLM Road Maintenance – Alternative D.....	430
4.35	BLM Road Maintenance – Alternative E	431
4.36	BLM Road Classification – Alternative F (Preferred Alternative).....	432
4.37	BLM Road Maintenance – Alternative F (Preferred Alternative)	432
4.38	Vehicle Ways in Wilderness Study Areas - Alternative A (Current Management)	442
4.39	Vehicle Ways in Wilderness Study Areas - Alternative B	443
4.40	Vehicle Ways in Wilderness Study Areas - Alternative C	443
4.41	Vehicle Ways in Wilderness Study Areas - Alternative D.....	444
4.42	Vehicle Ways in Wilderness Study Areas - Alternative F (Preferred Alternative)	444

4.43	Proportion of Cattle Nutritional Needs Supplied by Monument Forage.....	460
4.44	Value of Natural Gas Production by Alternative (in 2005\$).....	464
4.45	Impacts of Natural Gas Production by Alternative (Compared to Alternative A, in 2005\$)	465

Chapter 5 Tables

5.1	Public Involvement Opportunities	471
-----	----------------------------------------	-----

Maps

Located at the Conclusion of Chapter 2

Map A	Visual Resource Management Classes (Alternative A)
Map B	Visual Resource Management Classes (Alternative C)
Map C	Visual Resource Management Classes (Alternative F - Preferred)
Map D	Fire Management Units
Map E	Recreation Management Areas (Alternatives B-E and Alternative F - Preferred)
Map F	Public Access Needs
