

Garnet Ghost Town Cabin Rentals

Two primitive cabins are available to be rented by the public from December 1 to April 30. They are heated by wood stoves and lit by propane lights. Neither has electricity or indoor plumbing. Outhouses and potable water are near the cabins. Each cabin is furnished with cooking utensils and a propane stove.

- The Dahl Cabin has two full beds and two cots, and rents for \$40 per night.
- The McDonald Cabin is a single room with two double beds and rents for \$30 per night.

Garnet is not accessible by wheeled vehicles during the winter. Access is either by snowmobile or skis/snowshoes.

Because of the popularity of some weekends, reservations are given by a lottery system. After the initial lottery, remaining dates can be made throughout the season. **The application deadline for the lottery drawing is the first Friday in November at 4:30 p.m.** To apply for the lottery drawing, submit the application below. We will notify applicants of the results of the lottery drawing by November 21. We will also send an information packet that includes maps, directions and the cabin's lock combination for your dates. We will return the checks of unsuccessful applicants.

After November 21, reservations may be made by calling the BLM at (406) 329-3914.
