

Initial Report From Scene

Location:		Date:	
Module:		Reviewed by:	
Drill Parameters	The firefighter will give an initial fire size-up report, either in a classroom environment with maps or as part of a field scenario.		
Performance Expectation	The firefighter will relay the fire size-up report information to the dispatcher or incident commander using the report on condition items found inside the front cover of the <i>Incident Response Pocket Guide</i> ; or, locally established fire reports used in Incident Organizers (when these meet or exceed the items referenced in #3 below).		
Equipment	The firefighter should be equipped with their PPE and personal line gear.		
Key Code: E = Exceeds Standard M = Meets Standard NI = Needs Improvement
