NOTE TO MAP USERS
 The surface and mineral management status overprints are published as general planning and management tools. Some of the lands and mineral management status overprints are not final and may not be available to BLM with respect to the nature of acquisition. No warranty is made by the BLM regarding the accuracy of the information. Final land records in the respective offices of the Bureau of Land Management or other responsible agency should be consulted for the specific tract of land. Inadequacies in the BLM maps should be reported to the respective Bureau of Land Management offices from which the maps were obtained.

PUBLIC ACCESS
