NOTE TO MAP USERS
The surface and mineral management plans, contracts are published as general planning and management tools. Some of the lands, surface and mineral rights, may have been shown as areas of interest to the BLM. The official records in the respective offices of the Bureau of Land Management or other responsible Federal agencies should be checked for up-to-date status on any specific lands. Plans should be reported to the respective Bureau of Land Management offices from which the maps were obtained.

PUBLIC ACCESS
Roads crossing public lands may be traveled by the public unless closed by signing or notice by the land management agency. Public lands managed by private lands may not have public access. Permission is required from the private landowner to cross private land, unless access is provided by a Federal, State, or County road, or a BLM road with legal access.
