

# Draft Environmental Impact Statement for the White Pine Energy Station Project

DES 07-19

Volume 2, Appendixes

April 2007

Ely Field Office / Nevada

## **BLM Mission Statement**

The Bureau of Land Management is responsible for the stewardship of our public lands. It is committed to manage, protect, and improve these lands in a manner to serve the needs of the American people for all times.

Management is based upon the principles of multiple use and sustained yield of our nation's resources within a framework of environmental responsibility and scientific technology. These resources include recreation, rangelands, timber, minerals, watershed, fish and wildlife, wilderness, air and scenic, scientific and cultural values.

## Volume 2
