Dear Interested Party:

The Bureau of Land Management (BLM) completed a public comment period September 2, 2009, for an environmental assessment (EA) entitled, "*Environmental Assessment P.L. 107-350, Enacted December 12, 2002 for the Conveyance of Property to Clark County, Nevada For A Shooting Park*". The EA was prepared pursuant to the National Environmental Policy Act (NEPA) and United States District Court Order for Case No. 2:08-cv-1131-LDG (RJJ) issued by Judge George D. Lloyd for the transfer of approximately 2,880 acres of public land to Clark County, Nevada. These lands are to be used as a centralized shooting park facility. The comment period ended with the filing of a total of 1,046 public comments. Of this total, 56 comments are considered substantive and timely, so responses will be completed.

The BLM has reviewed all comments filed prior to the end of the comment period and also conducted an internal review of the subject EA. As a result of the comments received and BLM's internal review, BLM has decided to update the existing EA. The updated EA will be released on December 15, 2009, and provide for a 45 day public comment period, which will end at close of business January 29, 2010.

The BLM website previously used for providing information on this project will be updated with current information for this revised EA. The web address is located at <http://www.blm.gov/nv/st/en/fo/lvfo.html>. You are encouraged to use this site to review the EA. A hard copy of the EA will be available for review in BLM's Public Room located at 4701 N. Torrey Pines Drive, Las Vegas. If you do not have access to a computer and would like a hard copy of the revised EA, you may call Supervisory Realty Specialist, Anna M. Wharton at (702) 515-5082 or Planning and Environmental Coordinator, Jeff Steinmetz at (702) 515-5097.

Sincerely,

Robert B. Ross, Jr.
Field Manager
Las Vegas
